INTRODUCING LA ESPERANZA

This Spanish Mission style villa, with a courtyard inspired by the Alhambra, lies amidst 4.5 hectares of flower gardens and organic fruit trees overlooking the beautiful Lecrin Valley. Only 35 minutes from Granada and 90 minutes from Malaga, it is Spain's most coveted new escape.

A HACIENDA REIMAGINED

La Esperanza is an authentic take on the traditional hacienda, where every corner and experience has been crafted with a personal touch.

Those who visit our magical home, are given a special taste of the traditional Andalucía lifestyle and design. Paying homage to our neighbours, including the Alhambra palace, this magnificent project is a labour of love.

When we say there is nowhere like us, we really mean it. As these pages unfold you'll learn more about our story.

TRUE ROMANCE

One of the most romantic properties in Andalusia, this impeccably designed hacienda, filled with antiques and art chosen carefully to reflect the culture of Southern Spain, comes with a panoramic swimming pool and Jacuzzi.

A tennis court and a heliport are also on site.

ARTISANAL TOUCHES

We are passionate about working with the local community to recreate an authentic hacienda. Granada's best traditional craftsmen, the last to continue the painstaking artistic traditions of the Moors, have created a courtyard in the style of the Alhambra.

Handpainted frescoes by a trompe l'oeil artist adorn the doorways and windows whilst all the antiques and artworks were discovered with the assistance of some of the finest purveyors in Andalucia.

PRESS AND PRAISE

Despite only just opening its doors La Esperanza has already been featured in some of the world's leading publications, who have named it the most beautiful hotel of its kind in the region.

Here are a couple of examples, of which we are particularly proud.

We are so pleased to say our guest feedback has been just as glowing.

The town below is built on a hillside, with white buildings and red-tiled roofs. There are many tall, thin cypress trees scattered throughout the town. In the background, there are mountains under a clear sky.
