RESPONSIBLE LUXURY LIFESTYLE

THE STRAITS TIMES

A HACIENDA REIMAGINED

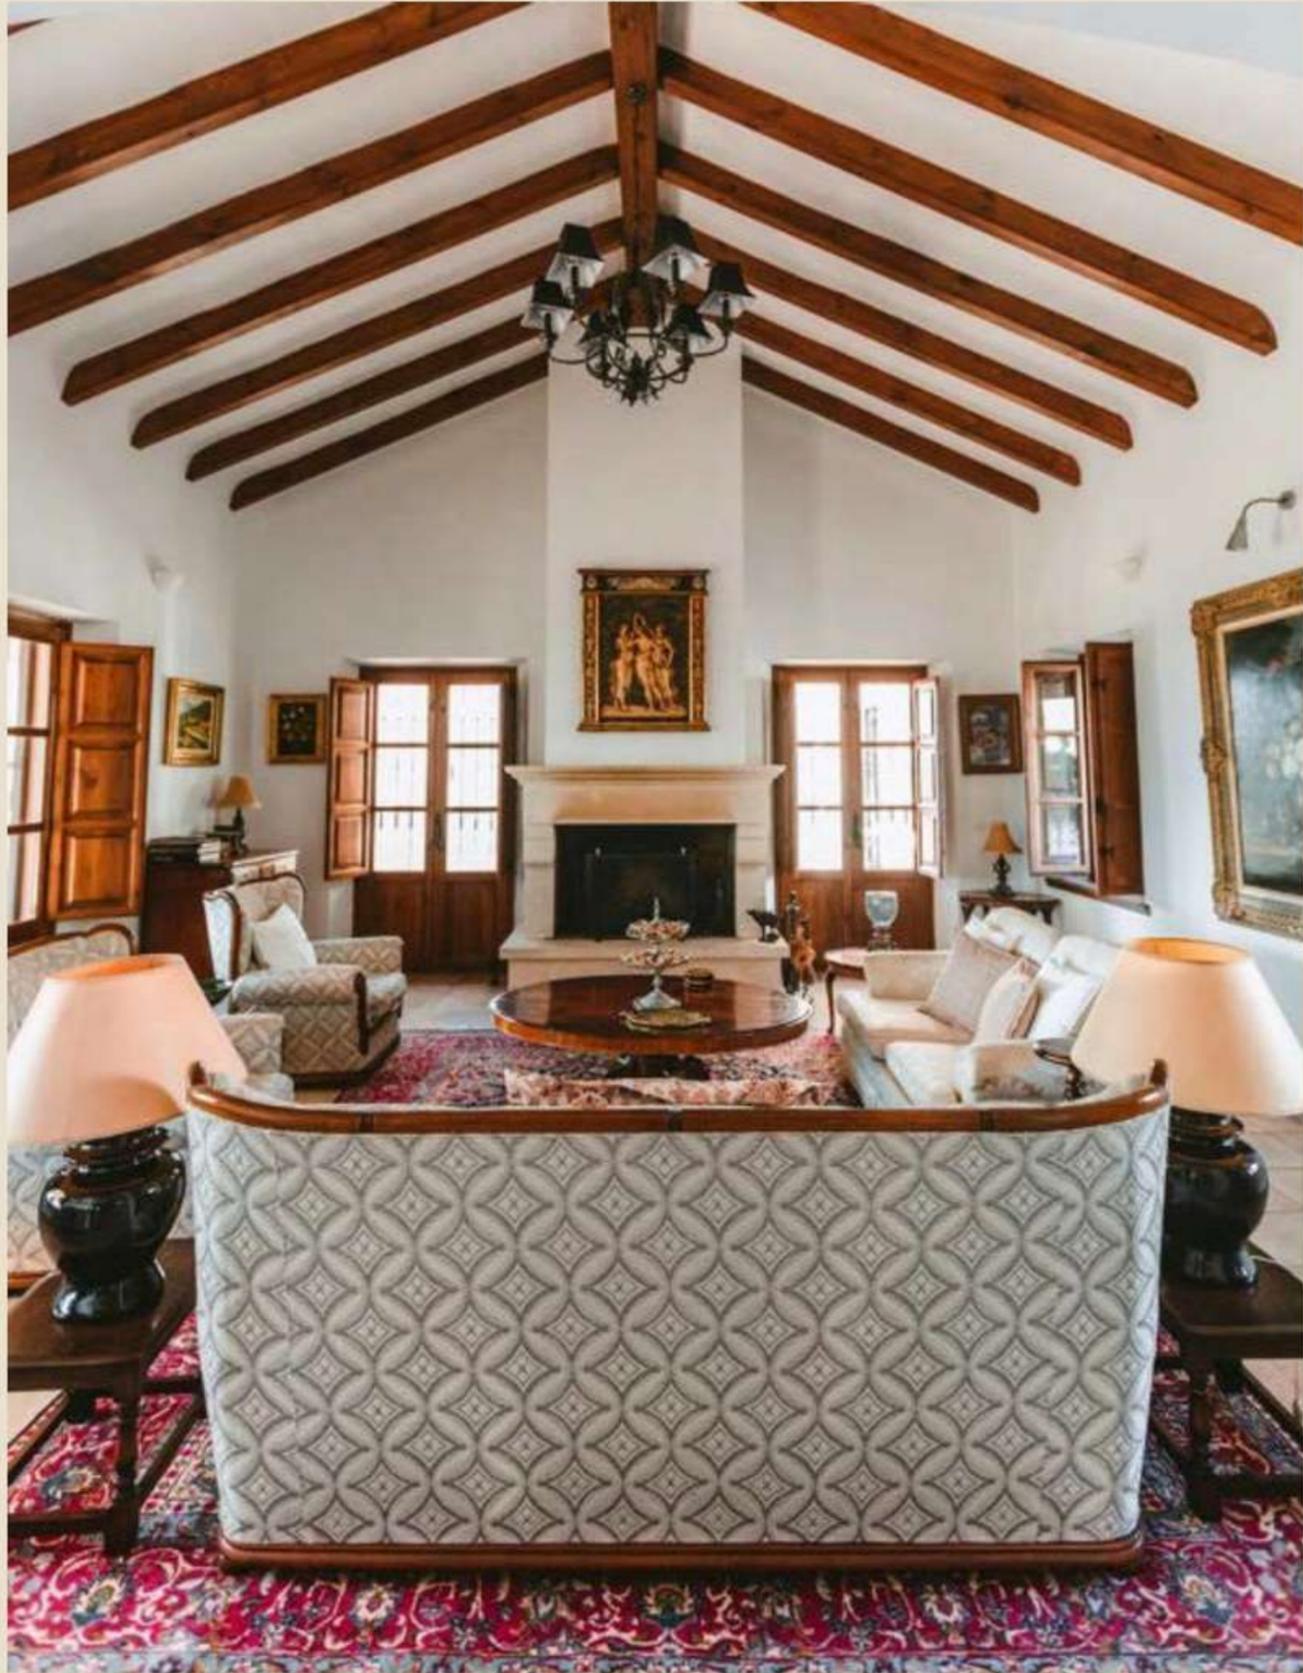

La Esperanza is an authentic take on the traditional hacienda, where every corner and experience has been crafted with a personal touch.

Those who visit our magical home are given a special taste of the traditional Andalusia lifestyle and design.

This project is a labour of love that pays homage to the world-famous Alhambra Palace nearby.

When we say there is nowhere like us, we really mean it. As these pages unfold, you'll learn more about our story.

TRUE ROMANCE

One of the most romantic properties in Andalusia, this impeccably designed hacienda, filled with antiques and art chosen carefully to reflect the culture of Southern Spain comes with a panoramic swimming pool and jacuzzi.

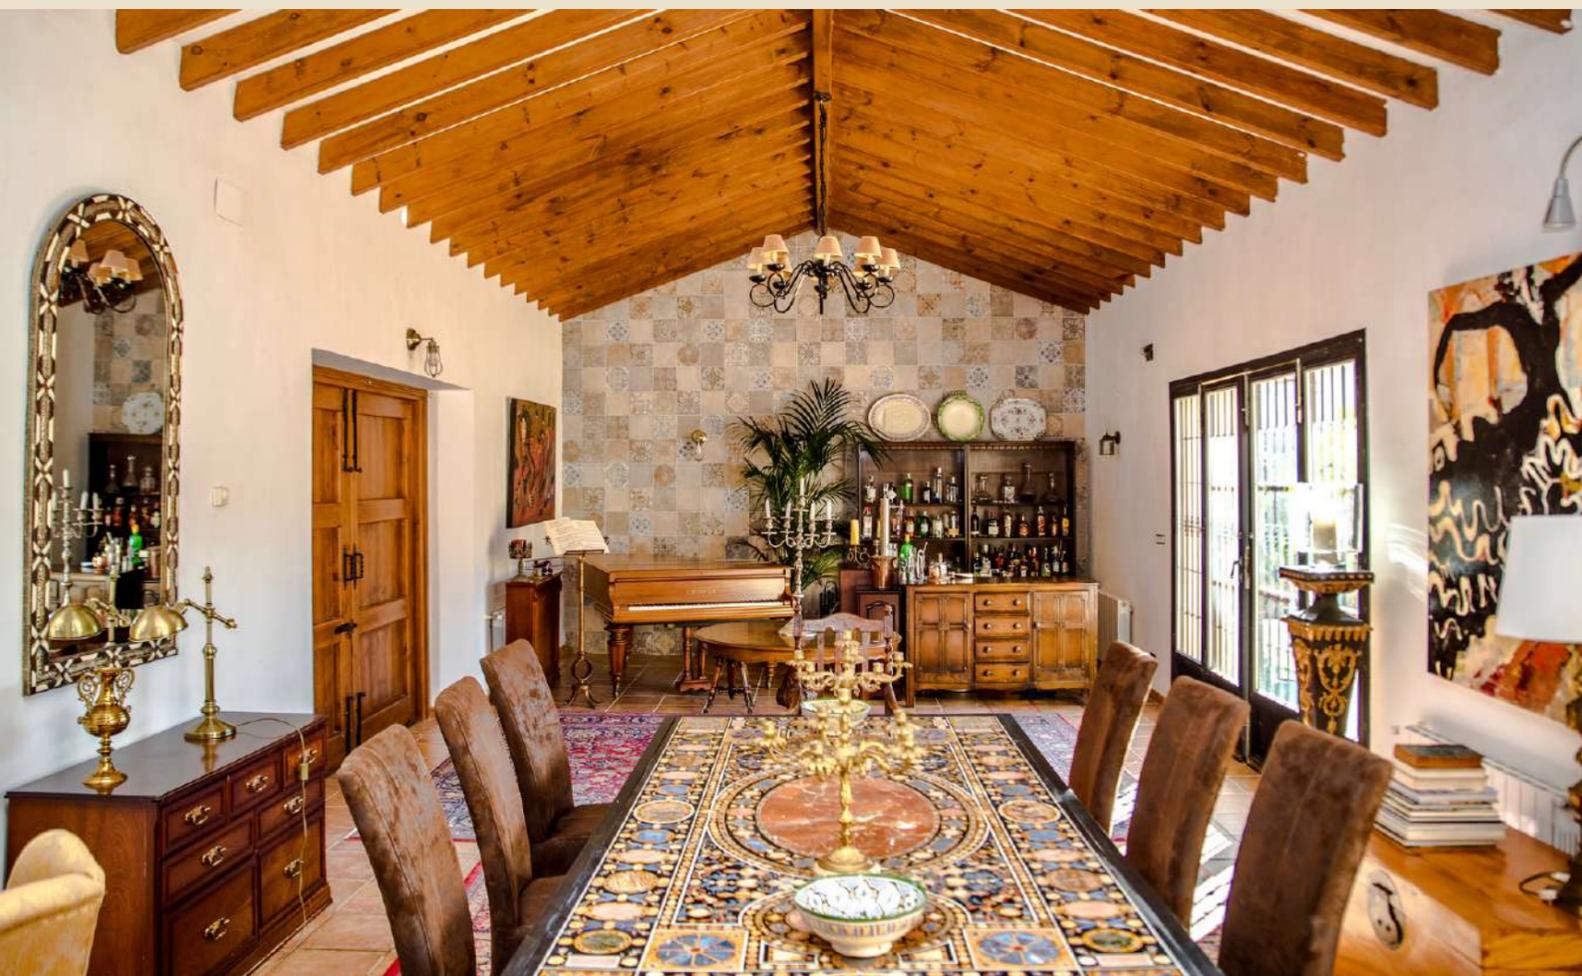

A tennis court and a barbecue pavilion are also on-site.

ARTISANAL TOUCHES

We are passionate about working with the local community to recreate an authentic hacienda. Granada's best traditional craftsmen, the last to continue the painstaking artistic traditions of the Moors, have created a courtyard in the style of the Alhambra.

Handprinted frescoes by a trompe l'oeil artist adorn the doorways and windows whilst all the antiques and artworks were discovered with the assistance of the finest purveyors in Andalucia.

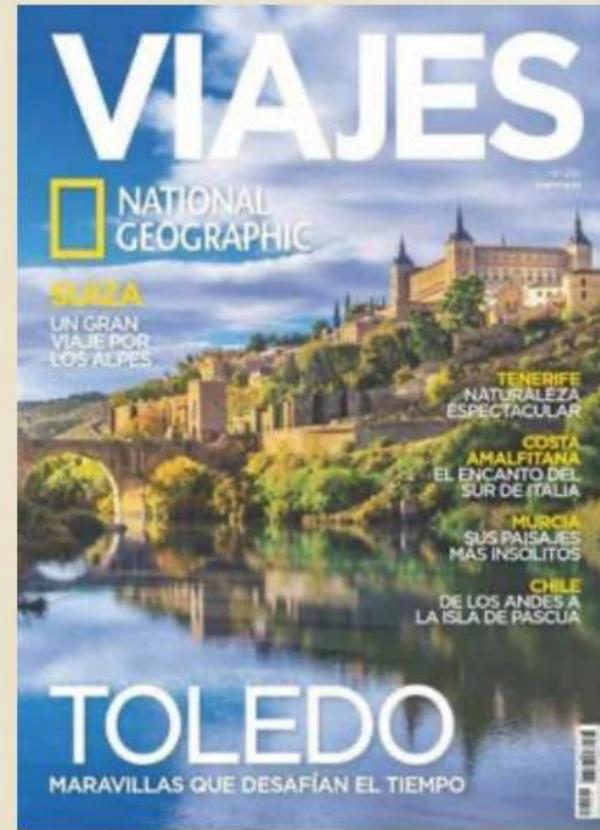

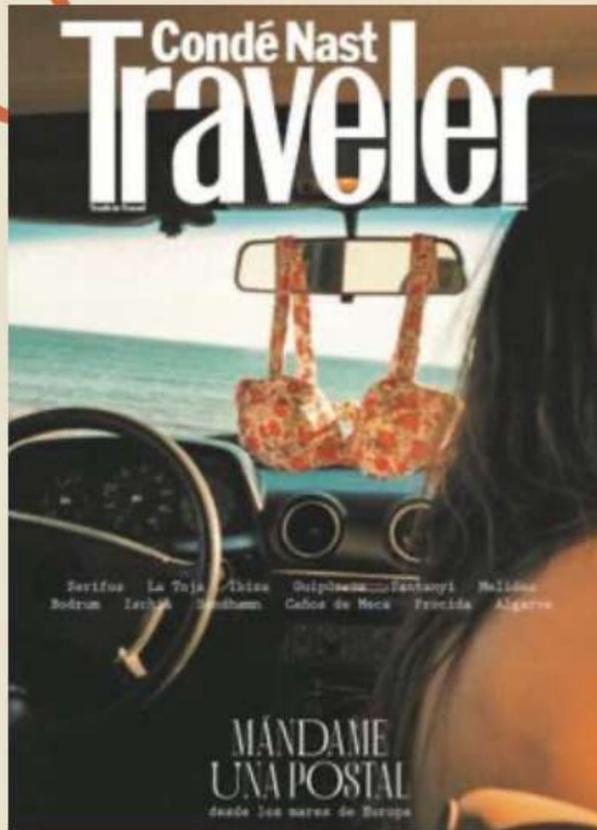

PRESS & PRAISE

Despite only opening its doors in 2021, La Esperanza Granada has already been featured in some of the world's leading publications. Conde Nast Traveler described it as "the most romantic hotel in Granada."

La Esperanza Granada was also included in the list of Best New Hotels in Spain for 2021, together with the Four Seasons Hotel Madrid and the Mandarin Oriental Ritz Madrid.

Here are several examples, of which we are particularly proud. We are so pleased to say that the feedback from our guests has also just been glowing.
